

Dr STOGICZA ÁGNES, FIPP, CIPS, ASRA-PMUC

Dr. Stogicza Ágnes aneszteziológus, intenzív terápiás és fájdalomcsillapító szakorvos 20 éves szakmai tapasztalattal rendelkezik az intervenciós fájdalomcsillapítás területén. Szakképzését Magyarországon kezdte, majd az Egyesült Államokban (University of Washington, Seattle, WA) folytatta, ahol 2010-2017 között egyetemi adjunktusként praktizált.

Klinikai orvosként fájdalommal küzdő betegeket kezelt, valamint Röntgen- és ultrahangvezérelt, minimálisan invazív intervenciós fájdalomcsillapító eljárásokat, regionális anesztéziát és komplex krónikus fájdalommal küzdő betegek gyógyszeres kezelését oktatta szakorvosoknak és rezidenseknek.

Jelenleg intervenciós fájdalom és aneszteziológia területén dolgozik Budapesten a Szent Magdolna Magánkórházban.

A World Institute of Pain (WIP) Oktatási Bizottságának tagja, a WIP magyarországi szekciójának alelnöke, a FIPP (Fellow of Interventional Pain Practice) továbbá a CIPS (Certified Interventional Pain Sonologist) vizsgabizottság tagja 2010 óta.

2016-ban néhány kollégájával megalapította a Pain School International-t (<https://painschoolinternational.com/>), amelynek keretében Budapesten nemzetközi fájdalomcsillapítás oktatás zajlik.

Rendszeresen oktat és tart előadásokat az Egyesült Államokban, Európában, Dél-Amerikában, Ázsiában a WIP, és egyéb fájdalomtársaságok felkérésére.

Számos szakmai tudományos cikk és könyvfejezet és szerzője, illetve társszerzője. Könyve, az Interventional Pain, A Step-by-Step Guide for the FIPP, az FIPP vizsga hivatalos tankönyve.

Fő érdeklődési területe a rákos fájdalmak, a gerinc eredetű fájdalmak és az ehhez kapcsolódó állapotokban (fejfájás, ostorcsapássérülés) és ezekben a kórállapotokban a regeneratív medicina (PRP, őssejt és proloterápia) alkalmazása.

CURRICULUM VITAE

Személyes adatok:

Név	Dr Stogicza Ágnes
Email	stogicza@gmail.com
Telefon	+36 20/421 2920

Tanulmányok:

1995 - 2002	Semmelweis Egyetem Orvostudományi Kar, Budapest, Magyarország
10/2001 -11/2001	Asyut Egyetem, Asyut, Egyiptom
4/2002 – 6/2002	New York-i Egyetem, Buffalo, New York
1/2002 – 4/2002	Albert-Ludwig Egyetem, Freiburg, Németország

Posztgraduális képzés:

2002 - 2004	Aneszteziológiai és Intenzív Terápiás Osztály, Péterfy Kórház, Semmelweis Egyetem Orvostudományi Kar	Rezidensképzés. szakvizsga
2004 - 2008	Aneszteziológiai és Intenzív Terápiás Osztály, Péterfy Kórház	Rezidensképzés. szakvizsga
2010 - 2011	Washingtoni Egyetem, Aneszteziológiai és Fájdalomterápiás Osztály, Seattle, Washington, USA	Fájdalomterápiás szakvizsga
2017-2018	British Columbia-i Egyetem, Aneszteziológiai és Fájdalomterápiás Osztály, Vancouver, BC, Kanada	Fájdalomterápiás szakvizsga

Szakvizsgák:

2008	Aneszteziológus és Intenzív Terápiás szakorvos, Magyarország
------	--

Egyéb vizsgák:

2007	Fellow of Interventional Pain Practice, World Institute of Pain, North Carolina, USA (Intervenció Fájdalomcsillapítási szakvizsga)
2015	Certified Interventional Pain Sonologist, World Institute of Pain, North Carolina, USA (Intervenció Fájdalomcsillapítási Szakvizsga -Ultrahang vezérelt beavatkozások)
2017	American Society of Regional Anesthesia and Pain Medicine Pain and MSK Interventional Ultrasound Certificate Fájdalom és MSK Intervenció Vizsga

Praktizálási engedélyek:

2002 - Jelen	Magyarország, #61986
2010 - 2018	State of Washington, United States #TR60122247
2016- 2019	State of Alaska, United States #104699
2016- 2017	United Kingdom #7538726
2016-2018	British Columbia, Canada

Szakmai Társaságok:

2002 - Jelen	Magyar Aneszteziológiai és Intenzív Terápiás Társaság (MAITT)
2002 - Jelen	Magyar Orvosi Kamara (MOK)
2004 - Jelen	Magyarországi Fájdalom Társaság

2007 - Jelen	World Institute of Pain (WIP)
2008 - 2010	Magyar Mentőtiszti Szövetség
2010 - 2016	International Spine Interventional Society (SIS)
2012 - Jelen	American Society of Regional Anesthesia (ASRA)
2016- 2019	World Academy of Pain Medicine Ultrasonography (WAPMU)

Szakmai tapasztalat

Egyetemi pozíciók:

2010 - 2013	Tanársegéd, Aneszteziológiai és Fájdalomterápiás Osztály, Washingtoni Egyetem, Seattle, Washington
2013 -2017	Adjunktus, Aneszteziológiai és Fájdalomterápiás Osztály, Washingtoni Egyetem, Seattle, Washington
2017-2018	Fájdalomspecialista, British Columbia-i Egyetem, St. Paul Kórház

Munkahelyek:

2002 - 2010	Aneszteziológus és intenzív terápiás orvos, Péterfy Kórház, Budapest,
2003 - 2010	Aneszteziológus és intenzív terápiás orvos, fájdalomspecialista, Péterfy Kórház, Budapest
2010-2017	Aneszteziológus és fájdalomspecialista, Washingtoni Egyetem
9/2017-2018	Fájdalomspecialista, ChangePain Clinic, Vancouver, BC, Kanada
2018-jelen	Főorvos, aneszteziológus és fájdalomspecialista, Szent Magdolna Magánkórház, Budapest

Adminisztratív pozíciók:

2015-2016	Akut Fájdalom Szervíz Orvosigazgató, Harborview Medical Center, University of Washington
-----------	--

2015-jelen	Oktatási Bizottság - World Institute of Pain
2004-jelen	Helyi Szervező Bizottság, World Institute of Pain, Magyarország Évente megrendezett WIP nemzetközi konferencia
2015-jelen	Alelnök, World Institute of Pain, Magyar Szekció
2016-jelen	Programszervező, szakmai vezető, Pain School International
2019-jelen	Szervező Bizottság, Tudományos Bizottság, World Institute of Pain, Orlando

Nemzetközi Szervezési Feladatok, Bizottságok, Szakmai, Vizsgáztatói tevékenységek

2010-jelen	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP Board of Examination, Budapest, USA
2012-18	Guest instructor, II, Singular Pain Management Center, Campinas, Brazil, Singular Pain Management Center, Campinas, Brazil, Theoretical and Hands-on Multi-module Interventional Pain Medicine Course, yearly event
2012-jelen	Course organizer, instructor, World Institute of Pain, Hungarian Section, Continuing Education in Pain Management, Hungary, Theoretical and hands-on cadaver workshop
2017-Jelen	Pain School International, Founder, Program Director, Organizer, Lecturer
2013	Course Organizer, Lumbar Interventional Pain Procedures, Anesthesiology and Pain Medicine, Course and Workshop for Hungarian Pain Physicians, Budapest
2015	Course organizer, instructor, World Institute of Pain, Ultrasound Section, Theoretical and hands-on cadaver workshop
5/2016	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, New York
5/2016	Certified pain Sonologist, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, New York
1/2017	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Miami
6/2017	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Nijmegen

2/2018	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Miami
9/2018	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Budapest
2/2019	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Miami
2/2020	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Miami
2021	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Budapest
4/2022	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Miami
8/2022	Fellow of interventional Pain Practice, Board examiner, World Institute of Pain, FIPP & CIPS Board of Examination, Budapest

Oktatásban való részvétel/folyamatos orvosi továbbképzés (CME):

Dátum	Kurzus
8/29-9/1, 2008	13th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
8/29-9/1, 2009	14th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
8/29-9/1, 2010	15th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
2012 -up to date	ACLS
2012 -up to date	APLS
6/25-27, 2011	13th Annual ASIPP Meeting
8/29-9/1, 2011	16th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
11/11-12, 2011	New York Pain Medicine Symposium 2011: Advanced Pain Therapies
3/15-18, 2012	ASRA, San Diego, CA
5/17-18, 2012	Prolotherapy, Intermediate course, Denver, CO

8/27-30, 2012	17th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
11/15-18, 2012	11th Annual ASRA Pain Medicine Meeting, Miami, FL
8/26-28, 2013	18th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
9/1-4, 2014	19th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopy guided techniques, World Institute of Pain, Budapest, Hungary
10/11, 2014	Washington Association of Physicians of India, Issaquah, WA
10/29-31, 2015	Bridging gaps in Oncology, Cairo, Egypt
11/4-7, 2015	Updates in Anaesthesia, Intensive care and Pain Medicine, Cairo, Egypt
11/28-29, 2015	London Spine and Neuromodulation Symposium, London, UK
12/2, 2015	III. Miami Interventional Hands-on Workshop, Miami, FL
12/3-4, 2015	Interventional Ultrasound in Pain Medicine Review Course, Miami, FL
8/24-26, 2015	20th Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopic and Ultrasound guided techniques, World Institute of Pain, Budapest, Hungary
2/26-28, 2016	ASIPP Meeting, Orlando, FL
5/20-23, 2016	8th World Congress of the World Institute of Pain (WIP 2016) General Conference
8/20-21, 2016	ASIPP Interventional Techniques Review course and Hands-On Cadaver Workshop, Las Vegas, NV
8/24-26, 2016	21st Annual advanced Interventional pain Conference and Practical Workshop with Fluoroscopic and Ultrasound guided techniques, World Institute of Pain, Budapest, Hungary
11/3-6, 2016	New York Pain Medicine Symposium 2011: Advanced Pain Therapies, New York, NY
1/12-16/2017	World Institute of Pain, Miami, FL
2/25-26/2017	World Academy of Pain Medicine Ultrasonography (WAPMU) Scottsdale, AZ
3/24-25/2017	Singular Pain Management Center, Campinas, Brazil
5/2018	World Institute of Pain, World Congress, Dublin, Ireland
15 days total in	Pain School International, Comprehensive Pain Education Program

2017-18	Budapest/Hungary
6/7-10/ 2017	World Institute of Pain, Nijmegen, Holland
8-28-31/2017	World Institute of Pain, Budapest/Hungary
9/15-16/2017	Singular Pain Management Center, Campinas, Brazil
10/25-29/2017	New York Pain Medicine Symposium 2017: Advanced Pain Therapies. New York and New Jersey Society of Pain Physicians, New Jersey, NY
10/2017	Prolotherapy research symposium, Hemwall Hackett Patterson Foundation, Madison, Wisconsin
1/12-16/2018	World Institute of Pain, Miami, FL
15 days total in 2018-19	Pain School International, Comprehensive Pain Education Program Budapest/Hungary
8/24-26/2019	World Institute of Pain, Budapest/Hungary
11/6-10 2019	New York Pain Medicine Symposium 2019: Advanced Pain Therapies. New York and New Jersey Society of Pain Physicians, New Jersey, NY
12/6-7/2019	World Academy of Pain Medicine Ultrasonography (WAPMU) London, UK
15 days total in 2019-20	Pain School International, Comprehensive Pain Education Program Budapest/Hungary
2/8-9/2020	Evolve, Regenerative Medicine Conference, Salt Lake City, UT
2/15-18/2020	World Institute of Pain, Miami, FL
11/5-9 2022	New York Pain Medicine Symposium 2019: Advanced Pain Therapies. New York and New Jersey Society of Pain Physicians, New Jersey, NY
15 days total in 2022-23	Pain School International, Comprehensive Pain Education Program Budapest/Hungary

Egyetemi és egyéb kurzus oktatói tevékenység

2003 - 2004	Dept. of Oncology and Internal Medicine, Peterfy Hospital, Budapest, Hungary	Resident lecture series
2004-2010	Dept. of Critical Care and Anesthesia, Peterfy Hospital, Budapest, Hungary	Resident lecture series Permissive hypercapnia, The use of inotropic agents in the ICU The use and placement of epidural catheters ion postoperative pain management Postoperative pain management, The use of cervical plexus block in carotid endarterectomy Acute Pancreatitis at the ICU Diabetic emergencies at ICU, Head trauma at ICU
2010 - 2011	University of Washington Medical Center & Harborview Medical Center Seattle, WA Chronic Pain Fellowship Program Yearly event	Author, Lecturer, Program Organizer Yearly APLS (Advanced Pain Life Support) Course: Lecture and Megacode
2012-2017	University of Washington Medical Center & Harborview Medical Center, Seattle, WA Yearly event	Course organizer, instructor, "Resident special" Regional anesthesia course and cadaver workshop
2013-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine	Lecturer Cervicothoracic anatomy and related minimally invasive interventional procedures

	Pain Grand Rounds, yearly lecture	
2013	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Pain Grand Rounds	Lecturer Epidurolysis and supporting evidence
2013	University of Washington, Seattle, WA Anesthesiology and Pain Medicine, Harborview Medical Center	Lecturer The safety of thoracic epidurals in general anesthesia
2014	University of Washington, Seattle, WA Anesthesiology and Pain Medicine	Instructor, Cadaver workshop, Neuraxial procedures
2014-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Monthly event	Lecturer Resident lecture series Imaging in Pain Management
2014-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Monthly event	Lecturer Resident lecture series Sympathetic blocks
2014-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Monthly event	Lecturer Resident lecture series Neuroablative techniques in pain Management
2014-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Pain Grand Rounds, yearly lecture	Lecturer Lumbar anatomy and related minimally invasive interventional procedures
2014	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Medical student education	Lecturer Opioids

2014-2017	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Pain Grand Rounds, yearly lecture	Lecturer Pain related emergencies
5/2015-jelen	University of Washington, Seattle, WA Anesthesiology and Pain Medicine Monthly event	Lecturer Resident lecture series Interventional approaches to chronic pain management
5/2016	World Institute of Pain, World Congress, New York, NY	Cadaver course instructor Fluoroscopy guided minimally invasive interventional pain management techniques
7/2016	World Academy of Pain Medicine Ultrasonography (WAPMU) Las Vegas, NV	Cadaver course instructor Ultrasound guided minimally invasive interventional pain management techniques
8/2016	American Society of Interventional Pain Physicians (ASIPP), Las Vegas, NV	Cadaver course instructor Fluoroscopy guided minimally invasive interventional pain management techniques
8/2016	World Institute of Pain, Budapest, Hungary	Cadaver course instructor Fluoroscopy and ultrasound guided minimally invasive interventional pain management techniques
11/3-6, 2016	New York Pain Medicine Symposium 2011: Advanced Pain Therapies	Course instructor Ultrasound guided pain procedures
1/2017	World Institute of Pain, Miami, FL	Cadaver course instructor Fluoroscopy and guided minimally invasive interventional pain management techniques
2/25-26/2017	World Academy of Pain Medicine Ultrasonography (WAPMU) Scottsdale, AZ	Cadaver course instructor Ultrasound guided minimally invasive interventional pain management techniques
3/24-25/2017	Singular Pain Management Center, Campinas, Brazil	Guest instructor, lecturer, teacher at workshop: Fluoroscopy guided minimally invasive interventional pain management techniques

		Lecture: Lumbar facet pain, diagnosis and treatment options
6/7-10/ 2017	World Institute of Pain, Nijmegen, Holland	Cadaver course instructor Ultrasound guided minimally invasive interventional pain management techniques
9/15-16/2017	Singular Pain Management Center, Campinas, Brazil	Guest instructor, lecturer, teacher at workshop: Fluoroscopy guided minimally invasive interventional pain management techniques Lecture: Ultrasound anatomy and procedures of the thoracic spine
10/25-29/2017	New York Pain Medicine Symposium 2017: Advanced Pain Therapies. New York and New Jersey Society of Pain Physicians, New Jersey, NY	Cadaver course instructor Ultrasound guided minimally invasive interventional pain management techniques Lecture: Splanchnic nerve block and Superior hypogastric block
1/12-16/2018	World Institute of Pain, Miami, FL	Cadaver course instructor Lecture: Ultrasound guided spinal procedures
2017-18	Pain School International Comprehensive Pain Education Program, Budapest/Hungary	Program Director, Organizer, Lecturer, Workshop teacher
5/2018	World Institute of Pain, World Congress, Dublin, IR,	Course instructor Ultrasound guided minimally invasive interventional pain management techniques
February May July Aug/ 2018	Pain School International Comprehensive Pain Education Program, Budapest/Hungary	Program Director, Organizer, Lecturer, Workshop teacher
6/2018	American Society of Regional Anesthesia, Chicago, IL, USA	Workshop teacher
8/2018	World Institute of Pain Conference Budapest/Hungary	Organizer, lecturer, workshop teacher

12/2018	2nd Ultrasound Interventional Pain Conference Kings College, Guys Campus, London, UK	Lecturer, workshop teacher
February May July, Aug October 2019	Pain School International Comprehensive Pain Education Program, Budapest/Hungary	Program Director, Organizer, Lecturer, Workshop teacher
1/14-18/2019	World Institute of Pain, Miami, FL	Cadaver course instructor Lecture: Ultrasound guided spinal procedures
11/6-10 2019	New York Pain Medicine Symposium 2019: Advanced Pain Therapies. New York and New Jersey Society of Pain Physicians, New Jersey, NY	Cadaver course instructor Lecture: Cervical spinal procedures. Ultrasound or fluoroscopy?
12/6-7/2019	World Academy of Pain Medicine Ultrasonography (WAPMU) London, UK	Cadaver course instructor Lecture: Prolotherapy, review and evidence
2/15-18/2020	World Institute of Pain, Miami, FL	Organizer, lecturer, workshop teacher Cadaver course instructor
2019/2020- 2022 (Covid interrupted)	Pain School International Radiofrequency and pulsed radiofrequency education series: Lectures and live procedure demos Budapest/Hungary	Program Director, Organizer, lecturer, workshop teacher
2022/2023	Pain School International Radiofrequency and pulsed radiofrequency education series: Lectures and live procedure demos Budapest/Hungary	Program Director, Organizer, lecturer, workshop teacher

Szakmai Folyóirat Szerkesztése, Lektorálása:

2013 - Jelen	Ad hoc reviewer for: The Clinical Journal of Pain, Lippincott Williams & Wilkins, Philadelphia, PA
2013 – Jelen	Ad hoc reviewer for: MedEdPortal, Association of American Medical Colleges, Washington, D.C
2015 –jelen	Ad hoc reviewer for: The Journal of Trauma and Acute Care Surgery
2014-jelen	Ad hoc reviewer for: Pain Practice
2018-jelen	Szerkesztőségi tag, Pain Practice folyóiratban

9 Könyv fejezet	A Stogicza, PT Bartha, E Racz, A Trescot. CRPS of the upper and lower extremity. Pain Management Review: A Problem-Based Learning Approach, edited by Magdalena Anitescu, OXFORD PUBLISHING
10 Könyv fejezet	A Stogicza, V Singh, A Trescot. Neurogenic Thoracic Outlet Syndrome Pain Management Review: A Problem-Based Learning Approach, edited by Magdalena Anitescu, OXFORD PUBLISHING
11 Könyv fejezet	A Stogicza Ultrasound for Interventional Pain Management, 978-3-030-18370-7, 457420_1_En, / Chapter 22, 23 Philip Peng (in print)
12 Könyv	AR Stogicza, AM Mansano, A Trescot, P Staats. Interventional Pain - A Step-by-Step Guide for the FIPP Exam. Springer.
13 Könyv fejezet	Thoracic epidural. Maria Luz Paddilla del Rey, AR Stogicza
14 Könyv fejezet	Peripheral Nerve stimulation, Genitofemoral nerve Peripheral Nerve stimulation, Ilioinguinal and iliohypogastric nerves Peripheral Nerve Stimulation. Abd-Elsayed, Andrea Trescot. 2022 Elsevier
15 Könyv fejezet	Complications of suprascapular nerve block Complications of pudendal nerve block Complications of lateral femoral cutaneous nerve block Complications of obturator nerve block In: Complications of pain-relieving procedures. Serdar Erdine and Peter Staats. 2022 Wiley Blackwell
16 Könyv fejezet	Regenerative approaches to headache In: Interventional Management of Headache Pain. Trescot, Abd-Elsayed. Elsevier.

Absztraktok:

1	Advanced Pain Life Support Training. Stogicza, A., Trescot, A. M. Pain Physician 14: E465-E491, 2011.
2	Ultrasound Guided Lateral Infra-trochanteric Sciatic Nerve Blockade for Proximal Tibial Surgery: A Novel Technique. Lollo, L., Stogicza, A., Estebe, J.-P. Regional Anesthesia and Pain Medicine, USA Fall 2011(Fall 2011): AO49: Basic Science, 2011.
3	Medial technique for combined popliteal sciatic and saphenous nerve blockade. Lollo, L., Stogicza, A. Regional Anesthesia and Pain Medicine, USA 1098-7339 37(7(Supplement1)): 507 (E289-90), 2012.
4	Inferior hypogastric plexus block effects the S1, 2, 3 anterior nerve roots instead of the sympathetic chain according to cadaver studies. Stogicza, A., Trescot, A., Racz, E., Magyar, L., Lollo, L.: Regional Anesthesia and Pain Medicine, USA Spring 2012(Spring 2012): 64: Clinical Investigation, 2012.
5	Low-cost high-fidelity ultrasound nerve block phantom gel: femoral nerve simulator. Lollo, L., Stogicza, A. Pain Practice, USA 12(Supplement S1): 49-50, 2012.
6	Low-cost high-fidelity ultrasound nerve block phantom gels: axillary brachial plexus simulator. Lollo, L., Stogicza, A. Pain Practice, USA 12(Supplement S1): 49-50, 2012.
7	Safe Use of High-Dose Tandem Paravertebral Catheters for Multiple Rib Fractures in an Elderly Patient Brendan R. O'Donnell, Shariar Khezri, Itay Bentov, Sheila Chiu, Agnes Stogicza, W Thomas Edwards, Mario Depinto. Harborview Medical Center, University of Washington, Seattle, WA, Regional Anesthesia and Pain Medicine • Volume 38, Number 4, July-August 2013
